2) OLD BUSINESS

- a) Pediatric Psychotropic Medication Update: Ms. Ketchum reported that the DUR Board recommendations from September were presented to the Child Welfare Medical Advisory Committee. That committee asked the DUR Board to consider and comment on two additional criteria. The Board consensus was not supportive of either criteria.

ACTION: Draft letter with recommendations to committee.

- b) APAP Intervention Evaluation: Dr. Hartung presented the evaluation of the APAP excessive dose intervention. Little impact was noted.

ACTION: Intervention to be deleted from RetroDUR program

ACTION: Include prescriber comments with Minutes.

3) NEW BUSINESS

- a) 2009 Meeting Dates: Proposed dates March 19, May 21, September 19, December 3.

ACTION: Dates accepted.

- b) 2009 New Project Selection: Ms. Ketchum presented quarterly utilization reports and Market Share Report with analysis and recommendations.

ACTION: Academic detailing recommendations accepted by the Board.

- c) LAO PA for OHP coverage: The Board reviewed proposed PA criteria for LAO for OHP coverage. This criteria would replace current OxyContin dose limits and RetroDUR interventions for fentanyl dose and duplicate LAO. Generic long-acting morphine, methadone and levorphanol will be available without PA.

ACTION: Criteria accepted with modifications to sentence structure in Q2 and elimination of dose limits for approvals. Revisions to be included with Minutes for final approval.

- d) Selected Laxative PA Update: The Board reviewed a literature review of lubiprostone and methylnaltrexone and proposed PA criteria. Recommendation to remove PA on PEG.

ACTION: Criteria accepted in concept but several needed changes on order of questions were noted. Revisions to be included with Minutes for final approval.

- e) Stimulant Dose Limit Update: The Board reviewed recommendation to add Daytrana to existing dose limit policy.

ACTION: Criteria accepted.

- f) Byetta Safety RetroDUR Intervention: The Board reviewed a proposed RetroDUR intervention on Byetta safety

ACTION: Intervention accepted.
